

Funds Availability Disclosure

This is important information about your ability to withdraw funds from:

Washington Trust Bank
PO Box 2127
Spokane, WA 99210-2127
(800) 788-4578

This policy statement applies to all deposit accounts.

Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written or debits that you have authorized.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturday, Sunday, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

You agree that Electronic Images submitted through the Bank's Mobile Deposit from your mobile device are not subject to the funds availability requirements of the Federal Reserve Board's Regulation CC. Our policy is generally to make funds from your Mobile Deposit available to you on the first Business Day after the day we receive your deposit. Funds that are deposited using Mobile Deposit will not be deemed "received" by us until we have received, reviewed, and processed an Electronic Image that meets all of the requirements for deposits (including all requirements to create a Substitute Check) stated in the Washington Trust Bank Terms and Conditions and any additional documentation. Once the funds are available, you can withdraw the funds in cash and we will use the funds to pay items and transactions drawn on your account. **If you make a deposit via Mobile Deposit after the cut-off time of 8:00 PM PT on a Business Day, or on any day that is not a Business Day, we will consider such deposit made on the next Business Day.**

If you make a deposit at an ATM before 12:00 PM PT on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit at an ATM after 12:00 PM PT or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Longer Delays May Apply

Case-by-Case Delays. In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$225 of your deposits, however, will be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Safeguard Exceptions. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

1. We believe a check you deposit will not be paid.
2. You deposit checks totaling more than \$5,525 on any one day.
3. You redeposit a check that has been returned unpaid.
4. You have overdrawn your account repeatedly in the last six months.
5. There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Special Rules for New Accounts

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,525 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the ninth business day after the day of your deposit.
