

Clearly Cash Back™ Visa® Credit Card Rewards Program Terms and Conditions

These rewards program terms and conditions (the "Terms and Conditions") govern the rewards program (the "Program") for the Clearly Cash Back™ Visa Credit Card ("the Account"). The program is offered by Washington Trust Bank and administered by a third-party service provider. Your Washington Trust Visa credit card is automatically enrolled in the program and is subject to these terms and conditions as well as the program rules posted to the rewards website unless and until we notify you otherwise. Use of your account constitutes your agreement of these terms and conditions.

How do I enroll in the rewards program?

All Washington Trust Visa credit cards are automatically enrolled in the program.

How do I earn cash back?

You will earn 1.5% in cash back for every \$1 in qualifying net purchases made to your Clearly Cash Back Visa credit card. Rewards will be rounded to the nearest whole cent increments. For example, if your qualifying purchase was \$100.25, your 1.5% reward would be \$1.50. If your purchase was \$100.35, you would earn \$1.51.

What is a qualifying net purchase?

A qualifying net purchase is a purchase that posts to your account minus any returns, refunds or other adjustments made to your account. If an adjustment results in a negative rewards balance, you must first earn cash back to bring your account balance to zero before earning rewards eligible for redemption.

What is not considered a qualifying purchase?

Transactions that do not earn rewards include cash advances, balance transfers, convenience checks that access your account, ATM withdrawals, finance charges and fees, and other cash and transactions considered cash identified by Merchant Category Code (MCC). Visa transactions that are identified by money transfer Business Application Identifiers (BAI) will also be excluded. See Appendix A for a full list of MCC and BAI exclusions.

Is there a minimum redemption amount?

Yes, consumer credit cards (Visa Platinum and Signature) require a minimum rewards balance of \$25 to redeem. Visa Business credit card accounts require a minimum rewards balance of \$50 to redeem.

Is there a limit for the amount of cash back I can earn or redeem?

No, you will earn unlimited cash back on qualified net purchases and you can redeem up to your full rewards balance at any time as long as your credit card account is open and in good standing.
