CASH MANAGEMENT MONEY MARKET

Non-Consumer Account Disclosures

Rate Information.

At our discretion, we may change the interest rate(s) for this account.

The interest rate and annual percentage yield (APY) are shown on the current Rate Sheet and may change without notice.

Additional Rate Information.

Annual Percentage Yield (APY) assumes principal and interest remain on deposit for one year. The minimum balance required to obtain the stated Annual Percentage Yield is calculated based on the collected balance in the account. Any fees charged on this account could reduce earnings.

Crediting Frequency. The interest will be credited into this account at the end of each statement cycle. Interest will be accrued through the last day of the weekend, but only paid through the last day of the month.

Compounding Frequency. The interest will be compounded daily.

Daily Balance Computation Method. The interest is calculated by the daily balance method which applies a daily periodic rate to the principal in the account each day.

Accrual of Interest on Noncash Deposits. The interest will begin to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks) into your account.

Minimum Balance to Open. The minimum balance required to open this account is \$500,000.00.

Minimum Balance to Earn Interest. You must maintain a minimum daily balance of \$1.00 in your account each day to earn the disclosed interest rate.

Minimum Balance to Avoid a Fee. \$25 monthly service charge will be waived if the \$25,000 average ledger balance requirement is met.

Fees and Charges. The following fees and charges apply to this account:

Monthly Service Charge: \$25.00 charged monthly

Per Item Deposited: \$0.50 per item deposited over 50 per statement cycle

Additional Terms. The following additional terms apply to this account:

Please refer to the Common Features (Limits and Fees) for additional fees which may apply.

Terms referenced throughout this document are defined in detail within the Business Account Terms and Conditions.

Account Disclosure Definitions

Average Ledger Balance: is calculated by adding the balance in the account for each day of the statement period and dividing that figure by the number of days in the period.

Collected Balance: is the balance in the account at the end of the day as shown on our records of the Bank, calculated by adding the deposits to and subtracting the withdrawals and any collectable float from the beginning balance of the day.

Ledger Balance: is the balance in the account at the end of the day as shown on our records of the Bank, calculated by adding the deposits to and subtracting the withdrawals from the beginning balance of the day.

Minimum Ledger Balance: the lowest end-of-day balance in an account during a statement cycle; a certain minimum daily balance is often required with interest-bearing accounts to avoid a monthly maintenance fee.

Prior Month's Combined Minimum Ledger Balance: is the combined balances based on the prior month's lowest daily balance of the account during the 30-day statement period.
